Any student who needs or desires additional or updated advice should meet with his/her advisor well in advance of the registration dates. If the advisor is unavailable, the student should contact the departmental office. If program changes occur that could result in alterations in degree requirements, student registration clearance flags will be reset to disallow student registration without seeing an advisor.

REGISTRATION CLEARANCE

Most degree-seeking students must obtain registration clearance from an advisor to register. Students should contact the appropriate advising area to set up an appointment well in advance of their assigned day for registration. While non-degree-seeking students are not required to have registration clearance, those considering future degree-seeking status are encouraged to seek advising either in the college of the intended major or the Academic Counseling Unit.

The following students must receive registration clearance from an advisor: (1) first time freshmen and transfer students, (2) students on academic probation, (3) students receiving veterans' benefits, (4) students who have not enrolled in required Transitional Academic Studies courses, and (5) participants in varsity sports.

STEP 3: STUDENT FINANCIAL AID

Financial Aid for the Fall Semester

A. **Current Aid Applicants.** You have previously completed the 2000-2001 FAFSA (Free Application for Federal Student Aid). You now need to complete a Renewal 2001-2002 FAFSA either by paper application or through the web at www.fafsa.ed.gov1.

1. Register for at least half-time credit hours:
   - Undergraduate students register for a minimum of six (6) undergraduate credit hours.
   - Graduate students register for a minimum of five (5) graduate credit hours.
   - Law students register for a minimum of six (6) law credit hours.
2. If you know the amount of Direct Loan you would like to borrow, or if your parents are interested in a Parent Loan (PLUS), complete the 2001-2002 Loan Request Form in this section of the Class Schedule.
3. All 2001-2002 awards are subject to a review of your academic record at the end of the spring or summer semester.

B. New Applicants for 2001-2002.

1. You must be ACCEPTED or currently enrolled in a degree-program, and if seeking a second bachelor's degree, have declared a major. If you are in a conditional, special admission, or non-degree status, you are **not** eligible for financial aid.
2. Complete the 2001-2002 Free Application for Federal Student Assistance (FAFSA) and mail in the envelope provided. Be sure to list The University of Memphis (Title IV code 003509) in Step 6 of the FAFSA.
3. When your FAFSA is processed, a Student Aid Report (SAR) will be sent to you. Immediately review the SAR for accuracy. If corrections are required, make them on part 2 and submit the corrected SAR to the U of M Student Financial Aid Office. You may be required to submit additional documents before an award can be made.
4. If you know the amount of Direct Loan you would like to borrow, or if your parents are interested in a Parent Loan (PLUS), complete the 2001-2002 Loan Request Form in this section of the Class Schedule.

C. Awarding and Disbursing

1. When all required documents have been received, you will receive a Financial Aid Notification (Award Letter) which you should review. If you need to make any changes, sign and return it as soon as possible. Your awards will then be finalized.
2. If your award includes a Direct Loan, you may be contacted about signing a promissory note. Federal regulations require that the loan be divided into two disbursements. Once you sign the note, the first half of the loan will be disbursed at the beginning of the term and the second half at the middle of the term.

   NOTE: Beginning with the Fall 2000 semester, you may not need to complete a new Master Promissory Note (MPN) for Direct Loans (subsidized and unsubsidized Stafford Loans) assuming you completed an MPN and received loan monies during the 1999-2000 year.
3. Federal regulations require that the first loan disbursement to first-time freshmen be held for 30 days.
4. When financial aid is disbursed, university charges are deducted before any remaining balance is given to you. Refer to the Fee Payment section of this Schedule for information of the disbursement of financial aid.

D. Satisfactory Academic Progress. Students applying for or receiving financial aid must meet the academic standards in order to establish or retain their eligibility. Refer to the undergraduate bulleting or to the financial aid website at - http://www.enrollment.memphis.edu/financialaid/.

E. Receipt of Aid from Other Sources

In determining a student's eligibility for the need-based financial aid programs, all other aid received by the student is counted as a resource and subtracted from the student's budget. This includes external and institutional scholarships, undergraduate and graduate fee waivers, Vocational Rehabilitation, and Veterans' Educational Benefits. Excluded are short-term loans and non-Federal Work-Study employment.

CLASS ATTENDANCE IS REQUIRED

Faculty will report all students who do not begin or who stop attending classes. Students who receive federal/state financial aid may have awards reduced or cancelled. This can potentially result in a student's owing significant financial fees to the university.

STEP 3: STUDENT FINANCIAL AID

RETURN OF FUNDS - EARNING YOUR FINANCIAL AID

The Higher Education Amendments of 1998 established the concept that financial aid must be earned though class attendance. A student has not earned 100% of his/her financial aid until he/she has attended at least 60% of the term. The 60% point of the Fall 2001 term is November 1, 2001. If a financial aid recipient totally withdraws on or before the 60% point of the term, there is a portion of the aid that has not been earned. The unearned portion of the aid is equal to the percentage of the term remaining at the point of withdrawal and must be returned to the Department of Education. The unearned portion is repaid by both the student and the school based on a federal formula. The school can use any refund generated by the withdrawal to pay the portion it owes back.

Students who withdraw through the 60% point of the term will receive a letter indicating how much they are responsible for repaying to the federal financial aid programs.

The following example illustrates the Return of Funds:

The student withdraws on the tenth day of a term that is 100 days long. He/she has received $2,000 in federal grants which paid his/her fees of $1,500 and gave the student a balance check of $500.

CALCULATING THE UNEARNED FINANCIAL AID:

Length of Term = 100 days
Days Not Attending = 90 (100 – 10)
Total Financial Aid = $2,000
Total Fees = $1,500
Percent of Aid Unearned = 90 (90 ÷ 100)
Total Unearned Aid: = $1,800 ($2,000 x 90%)

CALCULATING THE REPAYMENTS:

Each student's balance is calculated based on the date of withdrawal, the amount of financial aid received, and whether the programs of financial aid received include grants or loans. **If a student must totally withdraw, it is best to attend class through 60% of the term to avoid any financial penalty.**

A **balance** is calculated based on the adjusted fees and reduced grants. The student is given a pro rata adjustment of the fees (refer to "Refund of Enrollment Fees" in this Schedule of Classes):
Adjusted fees = $150 [$1,500 - $1,350 ($1,500 x 90%)]
Adjusted grant = $200 ($2,000 original grant - $1,800 unearned grant)
The student is due a $50 refund from the University based on the difference between the adjusted fees ($150) and the adjusted grant ($200).

The **University must repay** the lesser of the total unearned financial aid, or the total fees multiplied by the percent of aid unearned. Since total fees ($1,500) are less than total aid ($2,000), the amount to be repaid is based on the total fees.
Total financial aid to be repaid by the University = $1,350 [$1,500 (fees) x 90%]

The **student must repay** the portion of the unearned aid not repaid by the University. Federal regulations allow unearned grant to be reduced by half. Student's portion of unearned grant = $450 ($1,800 unearned - $1,350 repaid by the University).
Grant to be repaid by student = $225 ($450 x 50%)

The Higher Education Amendments of 1998 specify the following order in which any unearned amounts are to be returned to Title IV financial aid programs: Federal Direct Loan Programs (unsubsidized then subsidized); Federal Perkins Loan Program; Federal Direct PLUS loans; Federal Pell Grant Program; Federal SEOG Program; any other programs funded by Title IV including the Tennessee Student Assistance Program; other federal, state, private or institutional aid programs. Any amount remaining after the applicable programs have been fully repaid is returned to the student.

Federal Direct Loan Request • 2001-2002

Fall 2001, *Spring* 2002

What is a Federal Direct Loan?

The Federal Direct Loan Program is a cooperative effort between the federal government and educational institutions.

- The federal government provides the loan funds.
- Schools determine the loan amount based on at least half-time enrollment (6 undergraduate credit hours for undergraduate students, 6 law credit hours for law students, 5 graduate credit hours for graduate students), confirm eligibility, and determine the loan period.

Direct Loan provides funds to help you meet your educational expenses. However, unlike gift aid, loans must be repaid. Federal Direct Loans are offered in two forms; subsidized and unsubsidized.

- ***Subsidized:*** You will not be charged any interest while you're in school (as long as you remain at least a half-time student) and during grace or deferment periods. The federal government "subsidizes" the interest during these periods. Your interest begins to accrue and repayment of the principal begins six months after enrollment in an educational institution ceases.
- ***Unsubsidized:*** You are responsible for your interest. Your interest accrues within sixty days of disbursement and may either be paid while you are in school or capitalized and added to the principal loan amount borrowed. As with subsidized loans, principal repayment begins six months after enrollments in an educational institution ceases.

ACADEMIC YEAR LOAN LIMITS

	Base Loan Sub/Unsub	Extended Loan Unsub only *	Total Loan
Freshman	$2,625	$ 4,000	$ 6,625
Sophomore	$3,500	$ 4,000	$ 7,500
Junior	$5,500	$ 5,000	$10,500
Senior	$5,500	$ 5,000	$10,500
Graduate	$8,500	$10,000	$18,500

* available to independent students

Your Total financial aid, including Federal Direct Loans, can never exceed your cost of education. The limits indicated are the federal maximums which you can receive during two terms of enrollment.

There are aggregate loan limits, in addition to annual loan limits. Students may never borrow more than the aggregate loan limit for all subsidized and unsubsidized loans at The University of Memphis and other schools.

AGGREGATE LOAN LIMITS

	Base	Base plus Extended
Undergraduate	$23,000	$ 46,000
Graduate	$65,500	$138,500

Every Federal Direct Loan period is required to have two disbursements:

The beginning and mid-point of the term for one-term loans, or the start of each term for two term loans.

New freshmen borrowers receive their first disbursement after attending class for 30 days.

If you do not need to borrow the maximum amount, you can choose to borrow less.

In deciding the appropriate amount, you should follow these steps.

1. What are your costs for an academic year? Add your costs together for tuition / fees, room and board, books and supplies, transportation and personal expenses.
2. Subtact your resources from these costs. Consider all aid and private scholarships you have received as well as money from savings and your family.
3. Decide if you **need** to borrow. Before you borrow funds, are there other resources available t you? Review your expenses to see if you can reduce your costs
4. Consult the repayment chart below. What will be the monthly payments be if you borrow this amount? Remember to conside what you may borrow in future years.
5. Select the amount that you can manage to repay. What you borrow today, must be repaid, with interest, in the future. Remember to be as conservative a possible when borrowing funds.

REPAYMENT CHART

Your educational borrowing will have a effect on your future life-style. You nee to be aware of what your monthly loan payments will be **before** you commit tc that loan amount. Your loan repaymer period will not exceed ten years and w require a minimum monthly payment o $50.00. Based on an 8% interest rate, you can expect to make these paymen for ten years. Each time you borrow, review the sample loan repayment cha below.

Total Borrowed	Monthly Payment
$ 5,000	$ 61.00
$ 10,000	$ 123.00
$ 30,000	$ 368.00
$ 50,000	$ 613.00
$100,000	$1,227.00

See the next page for the Direct Loan Request Form

If you responded "yes" to the student loan question on your FAFSA, you will be **offered** the maximum amount of subsidized and unsubsidized loan for which you are eligible. Only use this form if you want a student loan, **and/or** if you want to borrow **less** than maximum, **or** you do not want to borrow an unsubsidized loan (interest on unsubsidized loans accrues while you are in school and during your six month grace period).

REFUND OF ENROLLMENT FEES

The following refund deadlines/percentages apply to students who withdraw from the University or who drop to a reduced number of credit hours below full-time by the dates indicated below (Note: the final refund period ends earlier than the final deadline for dropping courses or withdrawing from the University):

DEADLINE	100% Refund Deadline	75% Refund Deadline	25% Refund Deadline
Full Session	August 25 by noon	September 10	September 22 by noon
1st Session	August 25 by noon	September 1 by noon	September 8 by noon
2nd Session	October 17	October 23	October 29

NO REFUND WILL BE PROVIDED AFTER THE APPROPRIATE 25% REFUND DATE LISTED ABOVE

A full (100%) refund will also be provided for courses cancelled by the University or in the case of the death of the student during the semester. Students who receive Federal Title IV funds and who withdraw from the University may be eligible for a refund of enrollment fees based on the federal pro-rata refund calculation. Please refer to the student aid section of this publication for specific information on pro-rata refunds and the return of federal financial aid funds.

The University refund policy is based entirely upon the official date of withdrawal or change of course which would result in a refund. Refunds beyond the specified dates/percentages indicated above will not be made for reasons such as employee conflicts, health or medical problem, moving out of town, or other reasons beyond the University's control or responsibility. The refund percentage is NOT calculated on the amount of payment, but rather on the student's total enrollment fees assessment. Therefore, students who satisfy fees using the Installment Payment Plan may still have a balance due the University for unpaid fee amounts despite their withdrawal from some or all of their classes.

Refunds will be processed and mailed to students beginning approximately ten (10) days after classes begin. The University will offset against proposed refunds any amount owed by the student to the University.

CLASS ATTENDANCE
Students <u>are responsible for processing their own official drops or withdrawals</u> on TIGERWEB or STRIPES if they never attend or stop attending. To avoid financial penalties, students must withdraw or drop prior to the first day of classes for the session in which the course(s) is taught.

- **Students who never attend and do not drop or withdraw** from their course(s) will incur significant financial penalties and be assigned a grade of "F".
- **Students who stop attending during the semester** and do not drop or withdraw from their course(s) will be assigned a grade of "F", and the last known date of attendance will be reported.
- **Students who are absent from the final examination** without the permission of the teacher incur a grade of "F" on the examination and may, depending on the weight of the examination in determining the final grade, incur a grade of "F" for the course.
- **Students who receive VA benefits or Title IV funds for enrollment fees** are subject to cancellation of future awards and immediate repayment of these benefits if they stop attending whether or not they officially withdraw or drop a course.
- **Class attendance may be used in computing grades** at the discretion of the instructor. If attendance is to be used, a complete written statement of the instructor's policy detailing the weight of attendance in determining the final grade must be presented to all students present at the first and second meetings of the class.

CLASS CANCELLATION & INCLEMENT WEATHER POLICY
Telephone (901) 678-0888 to find out about closings due to inclement weather.

In the event that inclement weather requires the cancellation of classes and/or campus activities, local radio and television news media will be immediately notified for dissemination, as they deem appropriate. Such closing decisions will also be given to University vice presidents for dissemination through the notification system in place for each division. Cancellations will not apply to administrative offices. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. Therefore, each person is expected to exercise a high degree of care to avoid accidents. All non-teaching employees who do not report to work during inclement weather will be considered in an annual leave or leave without pay status for the period of their absence. (University Procedure 2A: 16:01A)

COURSE LOAD LIMITATIONS - MAXIMUM NUMBER OF HOURS WITHOUT DEAN'S APPROVAL

SESSION	UNDERGRADUATE	GRADUATE
Full	20.5	15
First or Second	10	7

CREDIT/NO CREDIT
Undergraduate students who have a 3.0 average and 60 semester hours, and permission of the dean of their college, may elect to take some courses on a credit/no credit basis. Students should pick up the Permission of Department Permit from the department, obtain appropriate signatures (including their academic advisor and dean) and bring the permit to Student Information Services, 119 Administration Building to be processed.

DISABLED AUDIT or CREDIT REGISTRATION
Tennessee residents who have a permanent and total disability which completely incapacitates them from working at an income producing occupation, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. They may enroll for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester. Enrollment for audit or credit will be limited according to space availability. **PLEASE NOTE: Students must contact Registration Services (901) 678-2676 after they register to obtain tuition reduction.**

Applicants for this program must present medical information to University Health Services documenting a permanent and total disability. The University physician examines the documentation and determines eligibility. If the applicant is eligible for State Vocational Rehabilitation Services, which by their nature and definition are designed for individuals who have potential for employment, the applicant would not be eligible for the free audit or reduced fee benefit. Eligibility for this program applies only from the time of approval by the University physician and is not retroactive. Direct all inquiries regarding this program to Registration Services, 115 Administration Building, (901) 678-2676.

GRADE REPORTS
Current semester grades may be obtained on TIGERWEB **<u>www.tigerweb.memphis.edu</u>** or on STRIPES (901) 321-7000.

When financial obligations have been resolved, students may obtain their grades on TIGERWEB **www.tigerweb.memphis.edu** or on STRIPES (901) 321-7000.

PRIVACY RIGHTS OF PARENTS & STUDENTS - NOTICE TO STUDENTS
The University of Memphis intends to comply fully with the Family Education Right and Privacy Act of 1974 and its subsequent amendments. A complete copy of the procedure may be obtained in the Office of the Registrar.

Directory Information
"Directory Information" is defined as: the student's name, address, telephone listing, e-mail address, major field of study, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's enrollment status (number of enrolled hours, full-time or part-time status), and the student's classification (level).

Restricted Release of Directory Information
After registering for courses, a student may personally complete a written request in 115 Administration Building that directory information not be released. Such information will also be withheld from the campus telephone directory if the form is completed within the first two weeks of classes. NOTE: The campus telephone directory is published in the fall semester.

Access to Records
To gain access, the student must request the custodian of the records to allow perusal of the education record according to the University Procedure for Student Records Access, which contains a list of the custodians of the records. A student must present proper identification in support of his/her request. Parents of dependent students as defined in the Internal Revenue Code Section 152 may obtain access to a dependent student's record after presenting appropriate documentation.

Review, Amend, Consent To Release Records
Students and eligible parents have the right to review education records, request amendments to the record, file a complaint related to the University's compliance with the requirements of the Family Educational Rights and Privacy Act (FERPA), and provide consent for release of personally identifiable information according to University Procedure 2E: 30:01A. Release of personally identifiable student education records (other than directory information) is not permitted without written consent of the student to any party other than those specified by FERPA (e.g., the University does release education records to officials of other schools in which the student seeks or intends to enroll or has previously been enrolled).

PROBATION/SUSPENSION - UNDERGRADUATE ACADEMIC STATUS AND RETENTION
Students can obtain their current semester grades/academic status on TIGERWEB **www.tigerweb.memphis.edu** or on STRIPES (901) 321-7000. A complete statement of the University's academic status and retention policy may be found in the Bulletin. Specific questions concerning academic probation/suspension should be directed to the Academic Status Office, 117 Administration Building, (901) 678-2393.

Regardless of academic status, students will be allowed to register for classes for the following term. However, students whose grades result in an academic suspension will be automatically withdrawn from the University before classes begin. If the grade report indicates suspension, a student is required to remain out of the University one or more semesters. For example, if a first suspension occurs at the end of spring semester, the student must remain out of the University the summer session and following fall semester.

UNDERGRADUATE ACADEMIC RETENTION SCALE

Quality Hours	Minimum GPA
0 - 14.99	No Minimum
15 - 29.99	1.40
30 - 50.99	1.70
51 - 67.99	1.90

Students whose grades result in an academic suspension will be automatically withdrawn from the University before classes begin for the next semester. TRAC suspension requires one semester time out of the University prior to readmission. Students may appeal the suspension. TRAC suspension questions should be directed to Transitional Academic Studies, 203 Administration Building, (901) 678-2028.

REPETITION OF COURSES
Normally, a student may not attempt the same course more than three times for the purpose of obtaining a passing or higher grade. The dean of the college from which the student intends to graduate may make exceptions to this limitation. Exceptions must be approved prior to the student's registration for the fourth and any subsequent attempts of the same course. The student's grade point average will be computed as follows:

Number of Attempts	Grade(s) Included in Computation
1st	Original grade earned
2nd	Only grade in 2nd attempt
3rd and subsequent	Grade earned in 2nd and subsequent attempts

The record will continue to reflect all grades earned in the same course.

Courses repeated after a degree is awarded may not be used to replace grades earned prior to the degree's being awarded.

SENIOR CITIZEN AUDIT / CREDIT REGISTRATION
Persons who will become sixty (60) years of age during the academic semester in which they begin classes, and who are domiciled in Tennessee, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. Permission to AUDIT will be limited according to space availability.

Persons who will become sixty-five (65) years of age prior to or during the academic semester in which they begin classes and who are domiciled in Tennessee, may enroll in courses for **CREDIT** at the cost of one-half the normal per credit hour fee,

not to exceed $75.00 per semester. **PLEASE NOTE: Students must contact Registration Services (901) 678-2676 after they enroll to obtain tuition reduction.**

Direct questions to the Transcript Office at (901) 678-3927.

TRANSFER CREDIT/U of M STUDENTS
After admission to The University of Memphis as a regular undergraduate, students must consult with their advisor and the Undergraduate Admissions Office if they anticipate enrolling at another college or university for the purpose of transferring credit to The University of Memphis. A Transfer Credit Request form must be completed. For completed additional undergraduate course work to be transferred from another university, the student must request that an evaluation be completed by Undergraduate Admissions, (901) 678-2111. MISCELLANEOUS INFORMATION

EXPOSURE TO HAZARDOUS CHEMICALS AND RADIOACTIVE MATERIALS

During the course of the semester, some classes and laboratories may use hazardous chemicals, radioactive materials or radiation producing equipment.

Prior to enrolling for classes each semester The University of Memphis recommends that students with health concerns or conditions seek private medical advice about the appropriateness for them to enroll in classes and laboratories using hazardous chemicals, radioactive materials or radiation producing equipment. The state of the art at this time is not sufficient to provide complete information about all possible side effects and health hazards, known and unknown, which could develop from the exposure to and use of such hazardous chemicals, radioactive materials and radiation producing equipment.

During regular University business hours Material Safety Data Sheets (MSDS) for hazardous chemicals are available for review through the office of the chair of the department in which such chemicals are used. MSDS are also available for review in the Environmental Health and Safety Office, 216 Browning Hall. Information about exposure from radioactive materials and radiation producing equipment may be obtained from the Radiation Safety Officer.

The VA places restrictions on those receiving veteran's educational benefits. Some of these restrictions include regular class attendance, satisfactory academic progress and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.
